

17th-20th, September, 2018
Hitotsubashi Hall, Tokyo, Japan

 **iWAENC2018**
International Workshop on Acoustic Signal Enhancement

Call for Sponsorship

The IWAENC 2018 committee kindly asks for your sponsorship! Your involvement will play an important role in advancing research in the field and creating a rich and strong technical and social program for the workshop, as well as keeping the registration fees affordable, especially for students.

IWAENC will provide your organization with the following visibility, outreach, and logistical benefits at a premier venue in far-field communications:

Bronze: \$1000 and above

- Logo on conference website, program, banners, and backdrops.
- A direct hyperlink to your website via the conference website.

Silver: \$2500 and above

- As above, plus:
- Paragraph advertisement in conference proceedings.
- A promotional page in the conference packet.
- One complimentary conference registration.

Gold: \$5000 and above

- As above, plus:
- Full page advertisement in conference proceedings.
- A promotional brochure in conference packet.
- Sponsorship acknowledgement during opening and closing sessions.
- One additional conference registration.

Kind regards,
The IWAENC 2018 Organizing Committee
